What does your business card say about you?

Positive Leadership

7 Pages of Best Practices

SUCCESS Audio CD

Leadership and happiness are front and center on this month's *SUCCESS* CD.

Simon **SINEK**

Simon Sinek is an optimist. He believes in our ability to build a positive future together. That is why he spends his time teaching leaders and organizations how to inspire others. The author of two books on the topic, *Start with Why* and *Leaders Eat Last*, Sinek sits down this month with *SUCCESS* Publisher Darren Hardy to talk about "the leader's choice."

Becky **HALSTEAD**

A good leader fights in the trenches alongside the team. Retired Army Brig. Gen. **Becky Halstead** can attest to the power of being of your people, not above your people. In her interview with Hardy, she shares stories of her struggle to be a humble yet powerful officer and the lessons she learned along the way.

Christine **CARTER**

A sociologist and happiness expert at Cal-Berkeley's Greater Good Science Center, **Christine Carter, Ph.D.**, is the author of *Raising Happiness* and writes an award-winning blog syndicated on *The Huffington Post* and *PsychologyToday.com*. Carter draws on a mix of science and her own real-world adventures to demonstrate the do's and don'ts of pursuing joy.
